Saikumar Velmula

Deshrajpalli-505451, Karimnagar, Telangana | +91-8498877585 | velmula.saikumar123@gmail.com

Professional Summary :

Enthusiastic Python and Django Developer with hands-on experience in full-stack web development, machine learning, and deep learning. Skilled in building scalable web applications and implementing intelligent models using CNNs, RNNs, and other ML algorithms. Strong background in data preprocessing and UI/UX design. Eager to contribute technical skills and innovation in a dynamic team environment.

Skills:

Python Programming: Proficient in OOP, file handling, and exception handling.

Version Control: Experienced with Git for code management and collaboration**.**

Software Configuration: Basic understanding of configuration principles and tools.

Debugging: Skilled in identifying and resolving software issues.

SDLC Knowledge: Familiar with all stages of the Software Development Life Cycle.

Web Development: Django, HTML, CSS, JavaScript for full-stack customization.

Cloud Tools: Worked with Google Colab, GitHub, and online development platforms.

ML/DL Integration: Experience with TensorFlow, Keras, and model optimization.

Soft Skills:
Problem Solving | Logical Thinking | Teamwork | Time Management | Effective Communication

PROFESSIONAL SUMMARY:

Python Developer

Datapoint IT and Hardware Tech Pvt Ltd., Hyderabad
Sep 2024 – Present .

- ✓ Developed and maintained scalable backend systems using **Python** and **Django**.
- ✓ Wrote modular, reusable Python code for custom functionalities across multiple web applications.
- ✓ Automated data preprocessing and model pipelines using Python for ML/DL projects.
- ✓ Fine-tuned CNN and RNN models using Python libraries such as **TensorFlow**, **Keras**, and **OpenCV**.
- ✓ Applied Python scripting for configuration tasks, data handling, and system integration.
- ✓ Implemented secure authentication workflows and API integrations using Python-based frameworks.

Education:

Master of Computer Applications (MCA)

Aurora's PG College | Hyderabad | Year of Graduation: 2024 | Percentage: 77%

Bachelor of Science (BSc)

Apoorva Degree College | Karimnagar | Year of Graduation: 2022 | Percentage: 80%

Intermediate

Trinity Junior College | Karimnagar | Year of Completion: 2019 | Percentage: 95%

SSC

Valmeeki Vidyalayam High School | Karimnagar | Year of Completion: 2017 | Percentage: 83%

Projects:

Smartphone Addiction Prediction *(Machine Learning, Python)*

- Developed a behavioral-based classifier to detect smartphone addiction.
- Enhanced accuracy with feature engineering and visualized insights using Matplotlib.

College Placement Portal *(Django, Web Development)*

- Created a role-based job portal for students, recruiters, and admins.
- Implemented secure login, dashboards, and job management using Django and JS.

AI Interview Bot for Freshers *(Django, Google Gemini, LangChain)*

- Built an AI-driven interview system using LLMs for real-time question generation and scoring.
- Added OTP-based login, result emailing, and admin dashboard for scalable fresher hiring.

Butterfly Classification System *(CNN, Django)*

- Designed a CNN model to classify 75 butterfly species with data augmentation.
- Deployed via Django web app for real-time image upload and prediction.

Certifications:

- Internship Completion Certificate – [Manac Infotech Pvt Ltd.]
- Full Stack Python Developer Course Completion Certificate – [Quality Thoughts]

Declaration

I hereby declare that the above information is true and correct to the best of my knowledge and belief.
